

Contaminated Stock

Bulletin No. 575-0018

September 30, 2005

TO: ALL DISTRIBUTORS AND USERS OF STEMCO PRODUCTS

From time to time, STEMCO is asked for recommendations on dispositions of contaminated or damaged merchandise. STEMCO'S policy is as follow:

Under no circumstances should STEMCO products be placed into the stream of commerce if they have been exposed to water, fire or other harmful conditions. We recommend that all contaminated parts be destroyed. STEMCO will work with distributors on an individual basis to supply emergency shipments of new stock upon request. STEMCO will also cooperate with insurance companies to provide inspection of contaminated products as needed.

If you have stock that might be contaminated, or if someone has tried to sell contaminated stock to you or your company, please contact the STEMCO Sales Representative for your area or the Longview office at 1-800-527-8492.

STEMCO DOES NOT WARRANT OR ACCEPT LIABILITY FOR DAMAGED MERCHANDISE PLACED INTO THE STREAM OF COMMERCE.
