

## Tool Policy

Bulletin No. 571-2996

June 22, 1998

To: All Distributors and OE Service Dealers  
of STEMCO Wheel End Products

### EFFECTIVE IMMEDIATELY

Due to excessive demand and increased costs, STEMCO will no longer allow an “**Open Door Policy**” for Distributors or OE Dealers to order tools at no-charge. All orders for tools placed by STEMCO Distributors and OE Dealers will be invoiced at the current STEMCO Distributor price. STEMCO tools are a non-discountable item.

STEMCO does however recognize the need for no-charge tools. You may contact your local STEMCO DSM for alternative methods of obtaining tools at no-charge for STEMCO fleet customers.

Thank you for your continued support of STEMCO products.
